## ★ INSTRUCTIONS ★

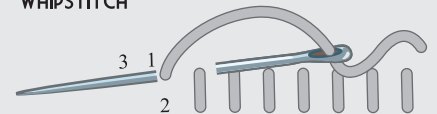

1. Square up background fabric to 8 1/2" x 8 1/2".
2. Trace appliques from the applique template sheet onto paper side of fusible web. Using the photo and applique template sheet as your guide, iron to the appropriate wools and cut out on drawn lines.
3. Using the photo and placement diagram as your guide, arrange the appliques on the background and iron in place.
4. Using the matching embroidery floss stitch appliques in place with a whipstitch.
5. With a fabric pen, draw lines on leaves. Stitch with a backstitch and using brown embroidery floss.
6. With a fabric pen, draw squirrel mouth and "X"s on squirrel. Stitch with a backstitch using black embroidery floss.
7. With a clover white marking pen, draw circle around tree hole and line on squirrel tail. Stitch with a backstitch and using gray embroidery floss.
8. Embellish squirrel's eyes with buttons using the photo and placement diagram as a guide.
